

Thank you for auditioning for Much Ado – to help us plan auditions, please could you fill out the following and return it to amandalaidler@gmail.com

Alternatively, send the information requested in an email if its easier!

Please note, with the exception of Balsathar, I have no preconceived ideas about who might sing or dance. It will NOT affect casting. But if you can sing, dance, play an instrument, or have other special skills we might well make use of them.
